

1000 books before kindergarten

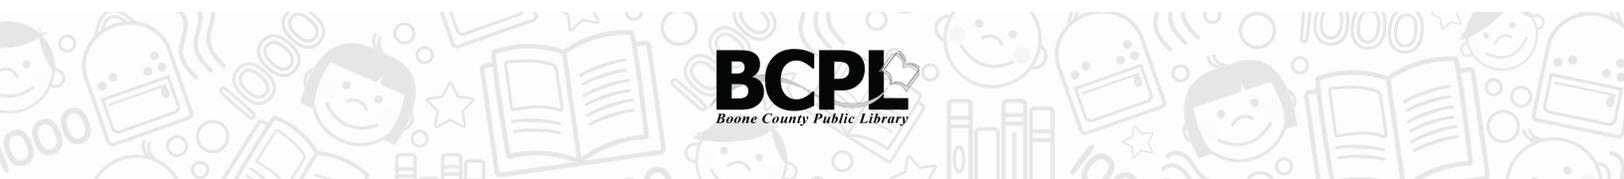

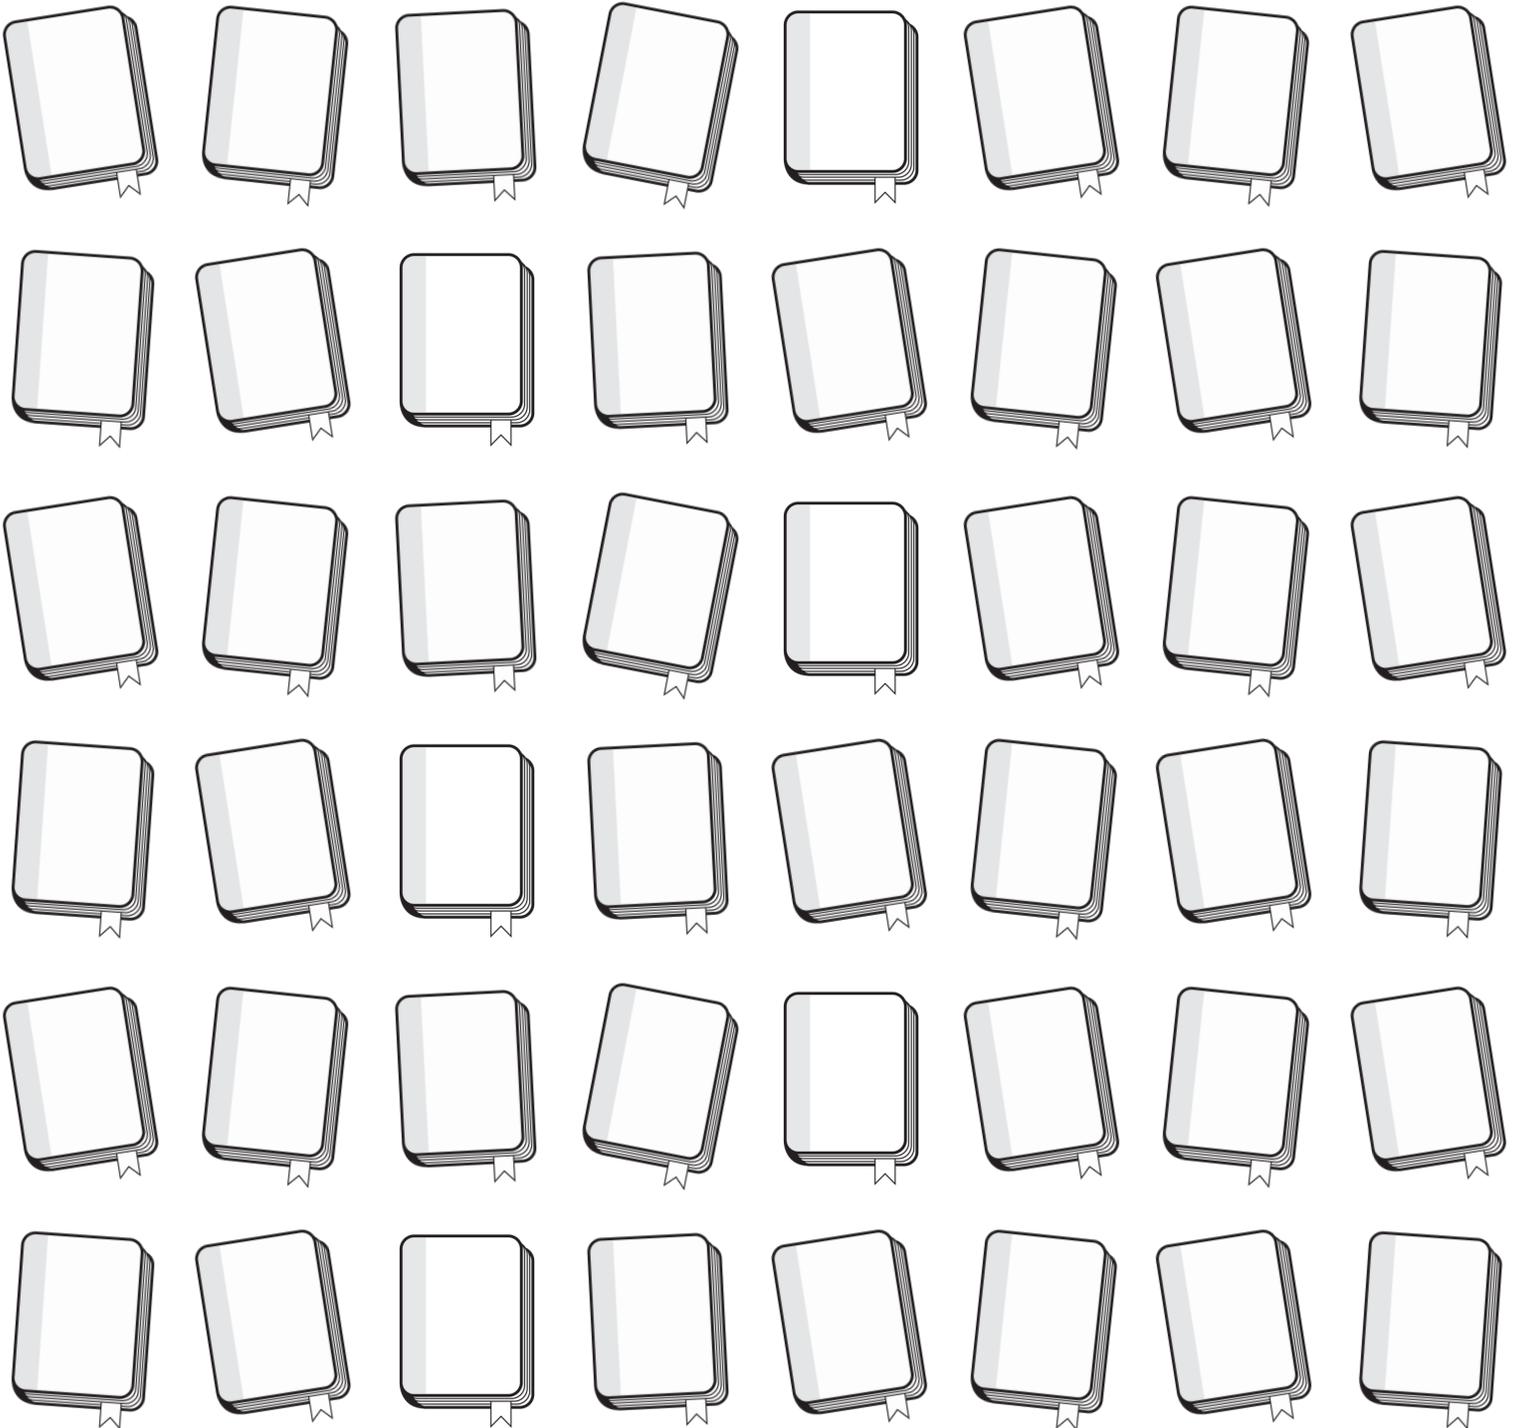

Track Reading

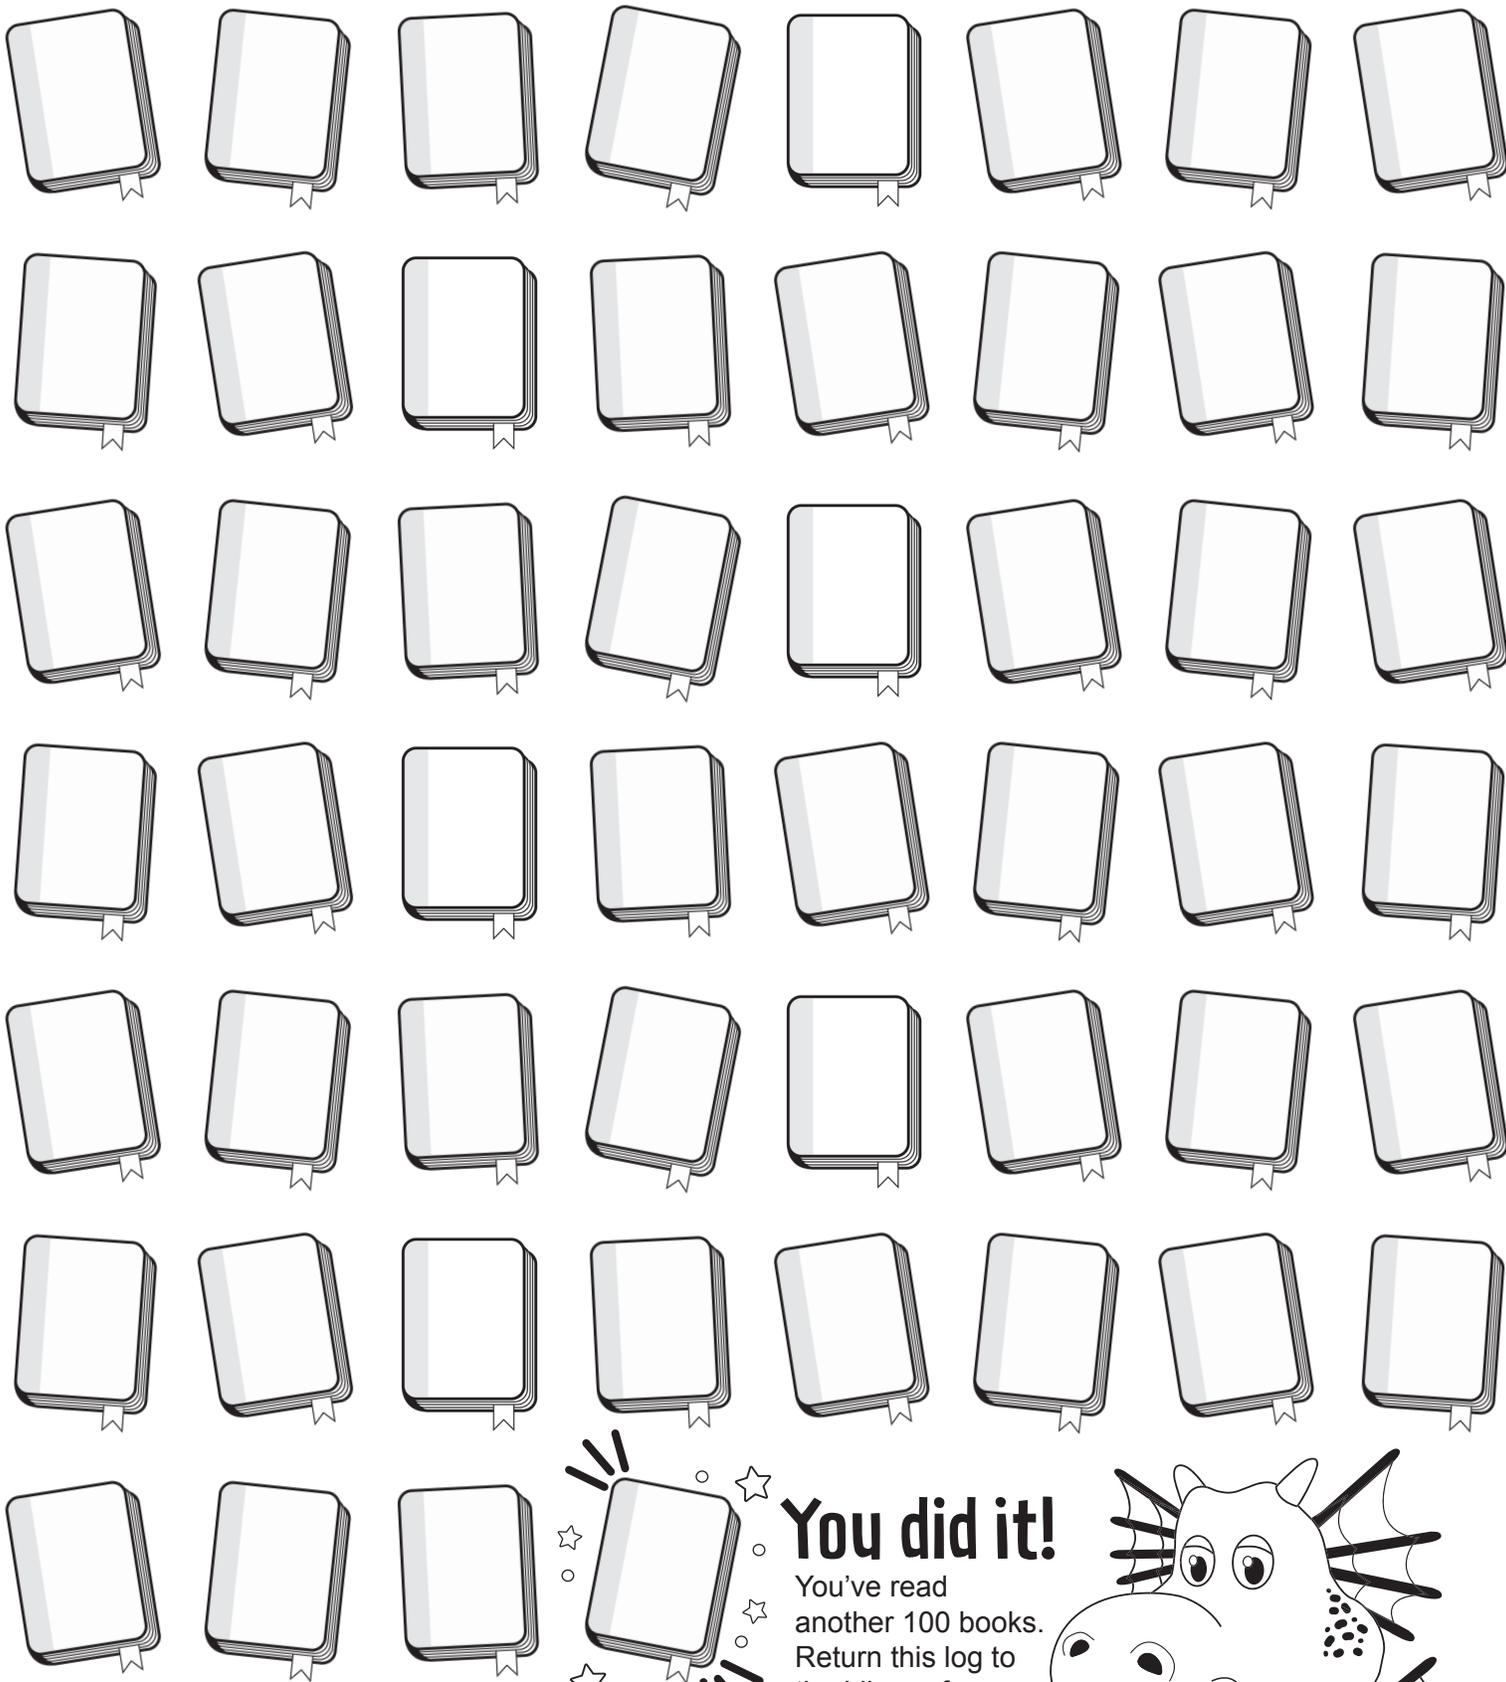

Any time your child reads a book, or a book is read to them, color-in one book on the log. We encourage reading the same book several times, and each reading of the book counts.

Milestone Rewards

Each time your child completes a 100 book milestone, visit BCPL for a small prize to recognize their progress. All prizes must be picked up from a BCPL location.

If you need assistance, please contact us at 1000books@bcpl.org.

You did it!

You've read another 100 books. Return this log to the Library for your next prize! Then print another log to begin tracking your next 100.
