

# *Descendants of James Webb*

## *Generation No. 1*

1. JAMES<sup>1</sup> WEBB was born Abt. 1884 in Kentucky. He married MYRTLE L. STRADER Abt. 1906<sup>1</sup>, daughter of JACOB STRADER and AMANDA UNK.. She was born Aug 1878 in Kentucky<sup>1</sup>.

Children of JAMES WEBB and MYRTLE STRADER are:

- i. RAYMOND<sup>2</sup> WEBB, b. Apr 1899, Kentucky<sup>1</sup>.

Notes for RAYMOND WEBB:

The 1920 U.S. Census of Bullittsville, Boone Co. KY. lists Raymond as a step son to James. There is 13 yrs difference in ages between James and Raymond. This would support the 1920 Census. Since Raymond is listed as a son he is listed here as such. The 1910 U.S. Census indicates Myrtle as having three children and this includes Raymond.

The same census lists Jacob Strader as James Webb's Father-in-law at age 75 yrs.

The 1900 Census of Petersburg lists Jacob Strader/Strader as the head of the family, Mirtie/Myrtle as daughter and Raymond as his son. Since Jacob Strader is 70 yrs old in this census Raymond could very likely be the son of Myrtle who is 21 yrs of age in the census.

- ii. JAMES W. WEBB, b. Abt. 1907, Kentucky.
- iii. HERBERT L. WEBB, b. Apr 1909, Kentucky<sup>1</sup>.
- iv. FRANCES WEBB, b. Abt. 1913, Kentucky.
