

Auto Repair Reference Center

Home Access

You will find help on 35,000 vehicles from 1945 to the present, including drawings, and step-by-step photographs.

To access this database, you must have a valid library card. Please call the reference desk at 342-2665 to verify your eligibility and to receive the appropriate User ID and Password.

1. Go to **www.bcpl.org**
2. **Information Desk and Research Tools.**
3. **Auto Repair Reference Center and Connect from home.**
4. Type **User ID** and **Password** and **Login.**
5. Choose **year of the vehicle.**
6. Choose **make of vehicle.**
7. Choose **model and style.**
Click on **Select** next to the sub-model, if necessary.
8. Choose **Topic of your choice:** Repair Procedure, Service Bulletins & Recalls, Wiring Diagrams, or Labor.
9. Click on the specific section to view the details.

The information can be printed.
