

# Westlaw

## Available only at the library

Whether you're looking for primary law, legal analysis, or litigation materials, Westlaw is the online resource with the most comprehensive coverage.

Westlaw delivers exclusive online access to many of the same titles found on law library bookshelves, industry-leading search tools, and accuracy you can trust.

### To get to Westlaw—

1. Click on **Information Desk** and **Research Tools**.
2. **Connect to Westlaw**.
3. **I agree and Go**.
4. If a pop-up blocker appears, click on the **Continue to Westlaw** link.

There are special tabs at the top for KY, OH, 6th Circuit, & Westlaw.

- To search by **citation**, type in the citation code or use the template.
- Under **Finding Tools**, you can search by case or party name, person's name, brief by party's name, for a company or database.
- You can **KeyCite** a citation, search for a statute, an attorney or judge, legal due diligence reports, and more.
- If you are unsure of a citation, try typing keywords or phrases in the **Natural Language** Search window.

### Key Numbers

Click on the **Key Numbers** link at the top of the page to identify the terms and topics related to your legal issue. Type the search terms in the window and click on **Search**.

You can also click on **West Key Number Digest Outline** or **Key Search** to browse listings.

### Outline/Table of Contents view

When in outline or Table of Contents view, click on the plus + sign to see more publications. Click on the minus - sign to close a section or chapter.

To view the complete Table of Contents, click on the **Site Map** link at the top of the page. Under Browse...click on Table of Contents.

### Printing

To print a document, click on a Print icon, either **Quick Print** or **Print**—to choose a specific printer or number of pages, and then on Print or Send Request.

To select multiple documents to print, click in the check boxes next to each one, prior to clicking on a Print icon.
