To download titles

1. On BCPL's website, click on **Kentucky Libraries Unbound**.
2. Look at the titles under eBooks, because the format needs to be Adobe PDF or Adobe EPUB eBooks.
 - a. You can click in the **Search** window to search for a specific title. You can also click on **title** to put the titles in alphabetical order to see if the title you're interested in is available. You can also search by creator, release date, most popular, etc.
 - b. At the bottom of the screen, you can click on a letter of the alphabet to refine the search. To scroll through the list, click on **Next**.
 - c. Click on **Advanced Search** to narrow the list to eBook format, which will work with the Color Nook.
3. If the book is available, you can click on **Add to eCart**.
 - a. If it's not immediately available, you can click on **Place eHold**. Login to your account (See step 5) and type your email address when prompted. You will be notified via email, when it's available.

4. Click on **Continue Browsing**, if you wish to find another title or on **Proceed to Checkout**.
5. Click on the down arrow to choose **Boone County Public Library**.
6. If you haven't already logged in to your account, you will be prompted to do it. Type your **BCPL card number** and your **PIN** or password (generally the last four digits of your Social Security number).
7. Click on **Confirm Checkout**. No more than 10 items may be checked out through KLU at one time.
8. Click on **Download**.
9. Click on **Save as** and save the book file to your computer's desktop.
10. Click on **Logout** to logout of KLU and close the Internet.
11. Right-click on the book title icon on your desktop and click on **Open with Adobe Digital Editions (ADE)**.
12. Click on the **Go to Library View** icon on the left (it looks like three books). Plug in the Color Nook. To transfer a title, click and drag it to middle and once it's there, click and drag it to **MyNookcolor** on the left.

13. Click on the **X** to close ADE.
14. Disconnect the Color Nook from your computer to read a book. Click on the up arrow on the Start Taskbar of your computer. Click on the icon with the little, green curved arrow, on Eject MyNOOKcolor, and then close the Safe to close...window. Remove the USB connection and the Nook power cord.

Want to return an item early?

Once the book has reached the end of the lending period, you won't be able to access it on the Color Nook. If you want to return an eBook, it needs to be done from ADE on your computer and the Color Nook.

Plug in the Color Nook, turn it on and slide the Nook icon to the right. Click on the **Go to Library View** link in ADE. Click on the **Item Options** arrow to the left of the image for the specific title and click on **Return Borrowed Item**.

To remove the item from the Color Nook, detach and reattach the Color Nook. When the AutoPlay window appears, click on **Open folder to view files**.

Double-click on the **Digital Editions** folder. Click on the **appropriate title** and press the Delete key to remove it. Properly disconnect the Color Nook.
