

Can't get to the Library? We Deliver!

Boone County Public Library's **Outreach Delivery Program** brings library materials to your home when you are unable to visit the library. The Outreach team also visits senior apartments, retirement homes and other residential care facilities.

Who is eligible?

Any Boone County resident, regardless of age, who is unable to visit the library due to a temporary or permanent physical limitation or lack of transportation, may receive delivery.

What can I have delivered?

- Regular and large-print books
- Magazines
- Audiobooks
- DVDs and music CDs

How do I sign up?

Fill out the registration form on the back of this bookmark and return it to any Library location or call 342-BOOK (2665), extension 8108.

What happens after I register?

You will be contacted by a library outreach worker to discuss the types of materials you would like and to make arrangements for delivery. Materials will be delivered and picked up every four to six weeks until you no longer need this service.

Questions? Please call 342-BOOK (2665), extension 8108.
