## **Locking Kanopy to "Kanopy Kids" only:**

1. Create Kanopy account using your child's library card
2. Log into their account and go to My Account (More in app)
3. Choose "Parental Controls" (Setting > parental controls in app) and create a pin -this should not be the same as their library pin and should not be shared with the child if your intention is to limit their access to only the Kanopy Kids collection
4. Once activated, navigate to the kanopy kids page and the account on that device will be locked in Kanopy Kids until the pin is entered again.
